PROGRAM

DAY 01 RIGA

Arrival at Riga airport, where your car is waiting for you.

Head over to Riga Old Town to check in at your hotel, and spend the rest of the day and evening exploring Riga.

Latvia, known as "Dzintarzeme" or Amberland, played a significant role as a trading crossroads on the Amber Road, facilitating the transport of Baltic amber across the Northern, Baltic, and Mediterranean Seas during the Middle Ages. You will have a guided 2-hour tour in Riga, and you will visit an amber gallery that sells some of the most impressive pieces.

Free evening & overnight in Riga.

DAY 02 RIGA - JURMALA - SABILE - VENTSPILS

Breakfast at the hotel & check-out.

You will first stop at Jurmala, the resort town known for its rich architecture, seaside lifestyle, and spas. Visit the town and the beaches, and then head over to one of the most iconic spas in town for an 80-min amber treatment. Amber contains a succinic acid salt that activates metabolic processes. The salt of succinic acid has an anti-inflammatory effect and has a positive effect on the thyroid gland. The procedure includes light body peeling with pieces of amber and fine amber powder, and a massage with amber stones. Soak up the millions of years of solar energy and leave relaxed!

Continue your trip to Ventspils through Sabile, a small town known for its vineyard and scenic area.

Free evening & overnight in Ventspils.

DAY 03 VENTSPILS - PAVILOSTA - LIEPAJA

Breakfast at the hotel & check-out.

After breakfast, visit Ventspils and its many historical spots, including the Ventspils Livonian Castle, where you will find a delightful mix of the old and modern. Here, amongst archaeological artifacts, you will also find some amber. Do not miss out on visiting the Ventspils Open-Air Museum as well.

You continue by driving to Pavilosta, a place where surfers mix with amber gatherers. After a delightful lunch in one of the authentic and excellent restaurants here, you will go looking for amber with a special guide. (Kindly note that finding amber is not guaranteed; if there has been a storm before your arrival, your chances are much better than in clear weather.)

After this very special adventure, take the car and drive to Liepaja, “the city where the wind is born.”

Optional: Concert at the Great Amber Concert Hall. Free evening & overnight in Liepaja.

DAY 04 LIEPAJA - PAPE - PALANGA

Breakfast at the hotel & check-out.

After breakfast, visit the future culture capital of Europe – Liepaja. This city has a lot to offer – from street art to concerts to military history – you will not be bored.

Today, you will have a small amber workshop, where you will make a piece of jewellery or cufflinks to take with you. You will also taste a special amber alcohol. A local amber craftsman will teach you everything you need to know about amber and its many uses.

For lunch, try a place where tradition and history reign, and pick the crayfish soup made from local and fresh crayfish, like they did in the old days. On your way to Palanga, stop at the Pape Nature Park and see the wild horses and auroxen that live there year-round.

Free evening & overnight in Palanga.

DAY 05 PALANGA - KLAIPEDA - CURONIAN SPIT - NIDA

Breakfast at the hotel & check-out.

Take a leisurely stroll through Palanga towards the Palanga Amber Museum. The museum is situated in a magnificent palace in the centre of Birutė Park and is one of the most visited museums in Lithuania, as it hosts one of the largest collections of amber in the world – about 30,000 exhibits. You will then head to Klaipėda and visit this charming town, which is also one of the oldest in Lithuania.

Take the ferry and cross over to the Curonian Spit. The Curonian Spit is a thin peninsula with dunes, beaches, fishing villages, pretty trails, and more. It is a must-visit spot in Lithuania! You will drive through the villages on a scenic route and reach Nida, where you will stay overnight.

You are free to explore Nida and relax – whether you go see the Nida Amber Museum or explore the surrounding nature, you will enjoy every minute.

Free evening & overnight in Nida.

DAY 06 NIDA - KAUNAS - TRAKAI - VILNIUS

Breakfast at the hotel & check-out.

It is time to leave the little paradise that the Curonian Spit represents.

You take the ferry back to Klaipeda, and drive to Kaunas. Kaunas is a captivating destination due to its vibrant cultural events and festivals that showcase the city's rich heritage and contemporary creativity, and is a must see spot in the country. Be sure to visit the Pažaislis Monastery complex, which is the largest monastery complex in Lithuania.

After your visit, and on your way to Vilnius, stop at Trakai, to see a one of a kind Medieval gem, surrounded by a lake and romantic boats.

After arriving in Vilnius - a 2 hour walking tour will take you to the main and must see spots. After that - you have a free evening to explore and discover.

Overnight in Vilnius.

DAY 07 VILNIUS - ŠIAULIAI - RUNDALE - RIGA

Breakfast at the hotel & check-out.

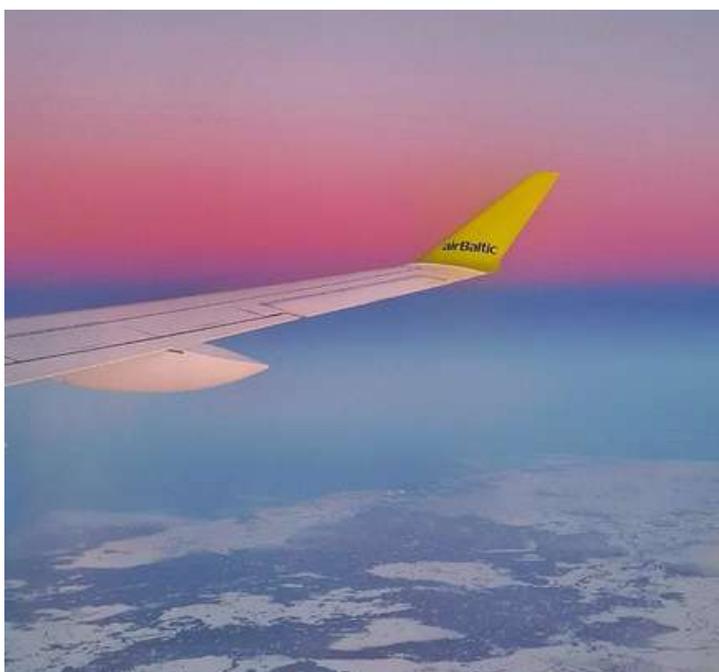

The last part of this trip takes you on a more classical route back to Riga.

First stop – the Hill of Crosses in Siauliai, a site of pilgrimage where thousands of crosses and religious symbols have been placed over generations, symbolizing faith, resistance, and national identity.

As you cross back into Latvia, continue your cultural exploration at Rundāle Palace, a Baroque gem unlike any in the Baltic States. Do not miss out on the French gardens.

Finally, make your way back to Riga, and enjoy a free evening.

Overnight in Riga.

DAY 08 DEPARTURE

Breakfast at the hotel & check-out.

You have a free day to explore Riga, return the car to the airport, and take a plane back home.
